

EQUIPMENT STANDARDS DECISION NOTIFICATION

Decision Date: 3/5/2019
Decision Number: 2019-0088A-B
Manufacturer: Sense Golf Grip, Inc.
Product Name: S1
Submission Type: Grip

Product Description: This is a square, rubber and foam putter grip featuring an internal weighting system comprised of a composite inner shaft with three cylindrical weights that are fixed to the inner shaft with set screws. The internal weighting system is inserted into the putter shaft through a threaded hole in the butt end of the grip.

Decision: **CONFORMING**

This ruling applies only to the sample submitted and any models manufactured identical to it. This ruling does not apply if there is any change in the design, manufacture, material or construction of this particular model. If a model of similar design, with identical markings is acquired from any source and found to fail USGA standards, then the conformance status of the model will be reviewed.

In advertisements and in any media, publication and/or promotional material, you are only authorized to make the statement: **"Conforms with the Rules of Golf"**. Use of the USGA name, seal or logo, including any use of this Decision Notification, in whole or in part, and/or indicating that the product is "Approved", "Tested", or "Certified" is prohibited.

The USGA reserves the right to change the Rules and interpretations regulating equipment at any time.
